The following statement was entered into the record for Supervisor Molina:

“The Mothers Against Drunk Driving (MADD), Los Angeles County Chapter, provides a Driving Under the Influence (DUI) Victim Impact Program for participating judges. The program consists of victims who tell their personal stories about how impaired drivers forever changed their lives. The DUI offender will gain insight into the potential tragedy he or she could cause. It is hoped that the experience will have a positive impact on offenders. There is no fee for the individuals attending the presentation; however, a participating judge must sentence the offenders.”
